29. Tuck the flap under the pleat at the left. (You may need to fold the tip at a 45 degree angle.) Rotate the model 90 degrees.
30. Unfold the small triangle made in step 23.
31. Repeat steps 24–29 on the remaining three flaps.
32. Undo step 29: untuck one flap, and untuck its tip.
33. Valley fold the flap up along a horizontal line. Rotate the model 90 degrees.
34. Repeat steps 32–33 on the other three sides.
